

## News Release

June 19, 2025

### Change in the Company Name of “AstaReal (India) Private Limited”

AstaReal (India) Private Limited, the Indian subsidiary of the Fuji Chemical Group (Representative Director: Mr. Pankaj Negi), has officially changed its name to “Fuji Chemical Industries (India) Private Limited,” effective June 16, 2025.

#### ■ Company name change

Former company name : AstaReal (India) Private Limited

New company name : Fuji Chemical Industries (India) Private Limited

#### ■ Background of the name change

Fuji Chemical Group operates in both the pharmaceutical and functional food sectors across the West Asia region, including India. By aligning its brand under the trusted and well-established name “Fuji Chemical”—widely recognized for excellence in the Indian health and wellness market—the Group aims to enhance its global competitiveness and drive continued growth.

Our business operations and policies remain unchanged. We look forward to entering this new chapter of growth with confidence.
